NETWORK | BUILD RELATIONSHIPS | SHARE KNOWLEDGE

Engage with ADAPT and GSC attendees through two different opportunities designed to help you generate business and make lasting connections.

Exchange Showcase

Reach a large cross-section of the champions for healthy, resilient and sustainable buildings with your spot on the Exchange floor. Limited to 20 organizations, these high-profile showcases allow you to connect with attendees during dedicated breaks on March 4. Attendees seek out the Exchange to find service providers, product manufacturers, and resources to help them achieve their green building and sustainability goals.

Lead Capture is available exclusively to our Exchange Showcase partners! Purchase Lead Capture to capture, rate, and take notes on each lead and import their information into your CRM. You can customize questions, follow up promptly, and have a real-time understanding of your participation's ROI. Purchase directly from our vendor through the exhibitor portal starting at \$249.00. No hidden fees or markup. [Watch a demo video of LeadCapture.](#)

Speed Greening

This interactive and fun 90-minute networking event offers a platform for attendees to directly connect with trusted resource and solution providers. From climate change curriculum creators and indoor air quality experts to education and training specialists and more, attendees can casually visit representatives of for-profit and non-profit organizations to learn about sustainability solutions!
